Focus Dynamics Technologies Bhd is acquiring a 100% stake in DPC Industrial Systems Sdn Bhd, a company involved in the design, installation and implementation of automation systems for the energy resource based industry, from Wong Mun Leong and Chin Youk Sheong for RM3.2 million.

Focus Dynamics said the acquisition was expected to boost its earnings, as DPC's business activities are complementary to the principal activities of the Focus Group.

DPC customers are mainly from the oil palm industry that includes Felda Palm Industries Sdn Bhd, Golden Hope Plantations Bhd, Asiatic Development Bhd, IOI Corporation Bhd, Felda Prodata Systems Sdn Bhd and CB industrial Productio Holding Bhd.
